

## *Praise for The Freedom Project*

I absolutely love this book. It's rare to find such honest advice in such an easily readable and accessible format. This book, which is full of wisdom on what really matters to be truly happy is destined to become a classic.

— Jack Canfield, coauthor of the Chicken Soup for the Soul® series and The Success Principles™

F\*\*k It, I'd buy a copy (if Wilko hadn't sent me a review copy): this brilliant book offers my perfect mix of inspired ideas and strategies with propositions that really made me ponder. Can money really buy 80% of your happiness? Errmmm, how does it work for me? Whatever, I get the feeling that, for the small price of this book, people will be buying a significantly higher % chance of freedom and happiness.

— John C. Parkin, author of the F\*\*k It books

Wilko Van de Kamp eloquently shares his own journey in "The Freedom Project: Happiness". He will inspire your soul and lift your spirits.

— Deborah Sandella PhD, award-winning author and originator of the RIM Method

Here is a powerhouse book of tips, tactics and approaches for discovering what truly makes you happy, that simply work. A fantastic book which will inspire you to break the mold.

— Forrest Willett, #1 best selling author of  
Baseballs Don't Bounce

**T**his book contains straightforward strategies anyone can use to overcome the key fears associated with stress and unhappiness in a life consumed by work.

— Craig Wolfe, president of CelebriDucks

**I**t's about time this book was written. Too many people are stuck in unfulfilling, dead-end careers. This book is the liberating blueprint for finding freedom and happiness in your life.

— Charlie Collins, author of *Tripping into the Light*

**T**he desire to pursue “freedom” could almost be considered universal, regardless of age, race, culture, or gender. But how each of us defines “freedom” is anything but universal. My strong desire to achieve “freedom” in my life helped give me the courage to leave the corporate world to start my own business. However, what I came to realize was how little clarity I actually had on what “freedom” meant to me. What it meant in relation to my business, my relationships, my hobbies, and ultimately my success and happiness. If I could go back in time I would do one thing differently—I would read *The Freedom Project*. This is a must have book for anyone that wants a step-by-step guide in how to discover and create the “freedom” you truly desire in your life.

— Dave Andrews, coauthor of *The 30-Day Sobriety Solution*

**W**ilko and the book he has written is exactly what being an inspirer is all about. It was a pleasure to read and left me feeling, well... inspired.

— Mike Stemple, founder of Inspirer

I love Wilko's robust determination and courage to live life on his own terms! I think his book is required reading for anyone who is serious about changing their life, and need's a smart, down-to-earth, owner's manual. Wilko's the best!

— Carlota Zimmerman, The Creativity Yenta

This book brings out the true meaning of happiness. It is full of tips and tactics and approaches for discovering what truly makes you happy. A fantastic book which will inspire you to break out of you mold and become the person you are truly meant to be. A must read.

— Jean Ann Reuter, best selling author of Oodles of Love  
and Success University for Women
